L-3 Security & Detection Systems Named Corporate Sponsor of the World Customs Organization's Fifth Technology & Innovation Forum

WOBURN, Mass., October 26, 2015 – L-3 Security & Detection Systems (L-3 SDS) announced today that it will be the corporate sponsor of the World Customs Organization's (WCO) Technology & Innovation Forum being held October 26–29, 2015 at the World Trade Center, Rotterdam, the Netherlands. This premier event is attended by customs executives, government officials and commercial providers from around the world to explore emerging trends and industry requirements. Visit L-3 in Stands 56 and 57 for demonstrations of its ClearView™ and CX-Mobile™ G3 screening solutions.

“We are pleased to be the corporate event sponsor and to demonstrate our total solutions to the WCO gathering of thought leaders,” said Tom Ripp, president of L-3 Security & Detection Systems. “We have several system installations already in the Netherlands – from our checkpoint solutions to air cargo and other cargo screening products – which will be showcased.”

About L-3 Security & Detection Systems

With more than 50,000 systems deployed and supported around the globe, L-3 Security & Detection Systems (L-3 SDS) is a leading supplier of security screening solutions. For more than 30 years, L-3 SDS has developed and manufactured cutting-edge products using advanced technologies that include 3-D computed tomography; automated, conventional and high-energy X-ray; radiation detection; active millimeter wave imaging; metal detection; and energetic trace explosives detection.

L-3 SDS solutions are used by the aviation and transportation industries, regulatory and customs authorities, government and law enforcement agencies, and commercial and other secure facilities. Applications include the screening of people, vehicles, baggage, cargo and

packages for explosives, firearms, drugs, contraband and corporate assets. To learn more about L-3 SDS, please visit the company's website at www.L-3com.com/sds.

About L-3

Headquartered in New York City, L-3 employs approximately 45,000 people worldwide and is a prime contractor in aerospace systems and national security solutions.
